

February 24, 1986 LB 122

CLERK: Mr. President, Senator Beyer would move to amend the bill. (Beyer amendment appears on page 961 of the Journal.)

SPEAKER NICHOL: Senator Beyer.

SENATOR BEYER: Mr. Speaker and colleagues, we've had a lot of discussion about this particular bill. The Warner amendment, that was attached to the bill on General File, put some pretty severe limitations on, especially for the beet haulers. There is a company that comes in with specially equipped trucks that contract with the beet haulers all over the western part where they haul, and the single permit would give them some problems. So, with that, I would insert, on page 2, line 20, after "vehicles" insert "for a distance up to 70 miles." That, I think, would restrict those trucks pretty much to the area that it would be needed for. So, with that, I would ask your adoption of that amendment.

SPEAKER NICHOL: Senator Haberman.

SENATOR HABERMAN: Mr. President, members of the body, I'm not overenthused about Senator Beyer's amendment. However, I will accept the amendment to LB 122.

SENATOR CHRONISTER PRESIDING

SENATOR CHRONISTER: If there is no other discussion, Senator Beyer, do you want to close?

SENATOR BEYER: I'd just ask for the adoption of the amendment, thank you.

SENATOR CHRONISTER: All those in favor of adopting the amendment vote aye, those opposed vote no. Have you voted? Please vote. Please record, Mr. Clerk.

CLERK: 25 ayes, 1 nay, Mr. President, on adoption of Senator Beyer's amendment.

SENATOR CHRONISTER: The amendment passes.

CLERK: Mr. President, Senator Haberman would move to amend. (Haberman amendment appears on page 961 of the Legislative Journal.)
